

## Nottingham City LINK Press Release

# 2010/2011 City LINK Board of Directors

*LINK would like to introduce you to the new  
City LINK Board of Directors as of July 21<sup>st</sup> 2010.*

### **David Turner – Chair**

---

As Chair of LINK David will provide leadership to the LINK, agree the agenda of the meeting with the Host, in addition to monitoring and ensuring LINK projects and the work plan are completed within agreed time frames.

### **Barbara Venes – Vice Chair**

---

In the role of Vice Chair, Barbara will deputise for and assist the Chair in ensuring that the Board fulfils its responsibilities.

### **Darren Ward – Governance and Complaints Officer**

---

Darren will ensure that the policies, procedures and decisions are led by the wider LINK and not by the Executive Board. He will regularly review with members and stakeholders, the governance procedures and be flexible about their development and participate in problem solving procedures.

**Please note new phone number from 2<sup>nd</sup> August  
0115 876 2179**

## **Sarah Andrews – Finance Officer**

---

Sarah will ensure that the LINK has robust financial procedures, present regular financial reports to the Board and Nottingham City LINK and formally present the accounts at the annual general meeting (AGM).

## **Margo Heyhurst and Rama Ramaswamy – Joint Training and Communications Officers**

---

Margo and Rama will share the responsibilities as the LINK's media spokesperson and they will work effectively with the Communications and Engagement Group.

Between them they will identify suitable training and development opportunities for LINK members and deliver Enter and View training in partnership with the host to LINK authorised representatives.

## **Nettie Johnson**

## **Alan Humberstone**

## **Nigel Shipston**

---

Nettie, Alan and Nigel will contribute to decision-making across the whole spectrum of the LINK's activities. They will work closely with the Communications Group and various Task and Finish Groups, who manage the work generated by the LINK.
