

Access & Barriers to Services Task & Finish Group

Do you have an interest in access and barriers to health and social care services? Are you good at listening to the community? Would you like to recommend making positive changes and improvements? Mark Hunter, Chair of this group, is extremely keen to hear from you, he would welcome you to this newly established group, due to meet again on 12th January 2010.

For more information please do not hesitate to contact the LINK support team.
